

Paragon manufactures many varieties of footwear for men, women & children. 40% of Paragon's products are with Rubber soles which is bio-degradable and environment friendly. Paragon also manufactures with Poly urethane soles, PVC soles and EVA soles. All our products are quality tested before and after assembling with high tech testing machines at our factory laboratories. All the latest products will be updated regularly on our website.

#### CAN I MAKE BULK ORDER THROUGH YOUR WEBSITE?

You cannot order through our website, but trade enquiry can be sent through our website by filling up a form for bulk order. Our sales team will get back to you at the earliest with the best offer. The bulk orders discussed here are mainly for companies, educational institutions and all profit and non-profit organizations.

#### HOW DO I ADDRESS QUALITY PROBLEM WITH A PRODUCT?

Complaints, problems and suggestions are always welcome. We have been in business for more than 30 years, and if not for customers' complaints and suggestions we would not have been able to satisfy our customers. We do believe that 'Customer is the King'. If you do find any problems with our products or services, please do bring it to our notice by filling the form provided in our website.

#### DOES PARAGON PRODUCE SPECIALIZED FOOTWEAR FOR MEDICALLY CHALLENGED PEOPLE

We do manufacture footwear with accu-pointed soles known as 'Accusole' which increase blood circulation and is prescribed by many heart specialists.

We also make soft soles footwear to address people with diabetes.
